

Natural • SAVANNAH COLLECTION

A city off the coast and the Southern metropolis that is in the minds of many. Savannah features dramatic design, opulent interiors and is magnificently diverse. This collection reflects it all with a totally captivating light gray color and mild veining. Wood grain and exquisite designer charm combined with graceful geometry will “wow” your next project.

*Variation in color, shade, finish, hardness, strength and slip resistance is inherent in Natural stone products. White marbles contain naturally occurring deposits of iron which may lead to discoloration of marble and turning it yellow-rust or gray if used in wet areas. These are natural characteristics of the stone and that is why it cannot be considered as a defect in the product. We are in no way responsible for discoloration of the natural stones.*
